Hi NCEA,

As many of you probably already know, the House Committee on Science, Space and Technology (Joint Subcommittee on Environment and Subcommittee on Oversight) is holding a hearing tomorrow at 10AM entitled, Examining the Scientific and Operational Integrity of EPA's IRIS Program. The witnesses testifying at the hearing are:

Dr. Kenneth Mundt, Principal, Ramboll Environ

These hearings are usually webcast. If you are interested in listening, this weblink should get you to the right page: <https://science.house.gov/legislation/hearings/joint-subcommittee-environment-and-subcommittee-oversight-hearing-examining>.
